School Clubs

Dear Parents

Thanks to the kind offers of staff and parents, I am pleased to inform you that we have the following wide-range of clubs available for terms 3 and 4. Clubs finish at various times, and it is vital that children are collected by parents (or have adequate collection arrangements organised) from the school promptly. They should not be instructed to wait outside on the street.

SALTWOOD CHURCH OF ENGLAND PRIMARY SCHOOL

Child's Name Year

Children should be encouraged to participate in clubs but made aware that, once they are a member, regular attendance is pre-requisite. Should they be unable to attend, then it is also an essential courtesy to ask for permission to be absent from the club from the teacher concerned.

Please complete this form for all of the clubs that your child wishes to attend, even if you have completed a separate application form on the Elite Community Coaching website. We need to know which children are on the school premises for their safety.
