

SCHOOL COUNCIL MINUTES

Wednesday 20th March 2019

We are going to hold a whole school art exhibition in the summer! Every pupil will have a canvas displayed.

What would your class like their theme or artistic style to be?

Class R: Plants and flowers

Class 1: African art

Class 2: Portraits in bright colours

Class 3: Artists from around the world

Class 4: Colour in action

Class 5: Free choice

Class 6: Pointillism with own theme

For our school councillors to discuss at our meeting:

Where would you like the exhibition to be held?

First choice: Outside (weather permitting)

Second choice: Hall

How can we display the work?

On tables and the School Council would like everyone to write a blurb explaining their picture.

Class 1 would also like to see if we could display some work in Hythe Library.

Who will welcome the visitors and how?

Our school councillors would like to be the welcomers and wear a special badge which says 'Exhibition Leader'. Our School Council leaders, accompanied by Mrs Nash, will help the younger classes. Mrs Rock and Mrs Hawkes will kindly help too.

How much should we sell the art work for?

After voting the School Council have decided that the cost for each picture will be £2.50. The money raised will be split between a charity chosen by our School Council leaders and FoSS to support the fundraising for our new playground pirate ship.

AOB from your class
