At this time of Pentecost the children heard about how the Holy Spirit came to the disciples and gave them the ability to be understood in different languages. What does your child think is the best way to communicate? How would they choose to talk to God?

A Fantastic Journey

I was delighted that the whole school completed their Pilgrimages today after the disappointment of last week's weather. Our prayers were answered this time as the rain held off for the whole day. Thank you to all the volunteers who enabled the event to go ahead. The children produced some really thoughtful responses to the idea of pilgrimage and I hope everyone found the day rewarding!

'Growing Up' Talks to Year 5

We use the summer term as an opportunity to teach our Year 5 children some of the things they will need to know as their bodies begin to change as they mature. We use a tried and tested 'Growing Up' DVD to help introduce the information in an interesting way. Parents of Year 5 children are invited to come into school at 3.30 pm on Tuesday (18th) and view the DVD before we show it to the children. Children will be supervised in the ICT suite if necessary.

Sports Day on Tuesday

The children have already started to limber up for Sports Day on Tuesday next week at 1.15pm. Weather permitting, the day will take its usual format of races and events throughout the afternoon. As usual, the gate will be open at the Grange Road entrance so that parents can make their way round to the school field. Please consider our neighbours when parking for Sports Day – why not take the healthy option and park a bit further away to get your steps up on the way into school!

Please don't Park
