CLASS 2 NEWSLETTER – SUMMER 2019

Letter distributed on Tuesday 4 June

Dear Parents

Welcome back to the summer term in Year 2. Well done to Class 2 who worked extremely hard in their KS1 SATs in Term 5.

In English we shall be reading a range of non-fiction texts and narratives. We shall be writing our own versions of these genres, focusing on using accurate capital letters and full stops as well as commas, inverted commas, question marks and exclamation marks. We will also be developing our sentences with adjectives, openers and conjunctions.

Family Learning tasks will continue to reinforce classroom learning in mathematics. Your continued support with these tasks, along with reading and spelling, is greatly appreciated and the impact is clear to see in the children's work. Thank you.

We shall be studying the following subjects in other curriculum areas:

Science	Plants	Investigation Unit
D & T		Joseph's Coat
Geography		Going to the seaside
History	Historical places around our local area.
