We have been talking about prayer. We thought about who might need our prayers and the ways in which we might ask God to help them. Who does your child think might need a prayer said for them? What would they ask for?

28th June 2019

*Thank
you!*

I feel I had to start this newsletter with a heartfelt 'thank you' to all parents and carers who have been involved in fundraising for our school this year. I can now reveal that the May Ball looks to have raised over £7,500 for the Friends of Saltwood School – an amazing total which would not have been possible without the efforts of Isabel Quilter. I am also delighted to be able to say that the Summer Fair raised more than £1,800. The whole event was a real team effort but special thanks must go to Fran McLeod who managed to keep the event on course when it looked like it might not happen at all. Our Art Event on Tuesday was also very well attended so thank you to all parents and children who came along after school to view and purchase the art. In under an hour more than £400 was raised which will be split between Demelza House and FOSS. Well done Mrs Nash for hosting such a popular evening!

Pirate Ship Ready to Set Sail

The fruits of all this fundraising are already visible on the playground as our new Pirate Ship is nearly ready for the children to set sail in. This vessel replaces the much missed HMS Jolly Roger which sank below the playground after being holed below the waterline by rotten planks earlier this year. We need to find a name for our new flagship – any suggestions?

Well Done Netballers

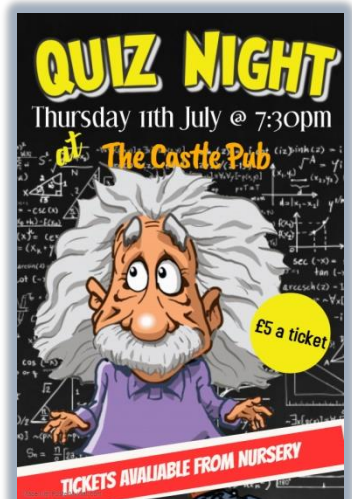

I was very proud to hear how well our netball teams performed in the Shepway competition on Tuesday. After many hard fought games, they managed to achieve 2nd and 4th places out of a field of nine. Congratulations to Elham School who won the competition!

Saltwood Play and Learning Centre Quiz Night

All parents are invited to a fun Quiz Night at The Castle on Thursday 11th July at 7.30pm. Tickets cost just £5 and are available from the Nursery.

Yours sincerely

Paul Newton
Executive Headteacher

SALTWOOD DIARY DATES

Terms 6
