Brilliant ideas. Let's see how much we can raise for others!

AOB

Class 1 would like to start a Food Bank, beginning in their class. This received a big 'YES' from the School Council and children from other classes would like to help.

Class 3 packed lunches are very hungry by the time it is their turn to eat. Unfortunately there isn't room to come in earlier but we will always bring you in as soon as we can.

There is writing in the small house on the playground. Well done for recognising this isn't good and reporting it. It will be cleaned off.

Is it possible to have an after school rugby club? We will ask Mr Thomas who is our PE leader.
