

Class R Weekly Learning Plan
Week beginning 13th July 2020

Well finally, we have reached the end of a very strange school term. Sadly I have to say goodbye to everyone at Saltwood School this week. As you know I will not be returning to Saltwood in September. These will be my very last home learning tasks and I have of course saved the very best activities until last! This week's theme will be all about Pirates and Mermaids. What better way is there to end term?

I have lots of super activities planned on this topic, which I will as usual post onto 'Tapestry' daily. Below is a brief outline. I can be contacted via Tapestry and will respond to any questions and comments.

Once again I would like to thank everyone for all your support through my time at Saltwood School. My memories from my time at Saltwood are very special and will stay with me for ever. Again, thank you so much.

	Reading/ writing/ phonics	Maths	Topic
Monday	Recap tricky words Recap Phase 3,4 and 5a phonics Sorting real and nonsense words 'How to be a Pirate' story and activities	Pirate addition and subtraction problems	Pirates and Mermaids

RE

As this is the last week of RE activities for Class R, this would be a good opportunity to begin thinking about the transition to Year 1 in September.

Some questions you could discuss:

- What have you enjoyed about being in Class R?
- Have you got a favourite memory?
- What are you looking forward to in Year 1?
- Who are you looking forward to seeing?
- What would you like to learn about?

PE

This is the last week of PE activity ideas before the holiday. I do hope you have enjoyed the activities.

Perhaps this week you could choose a favourite from any of the previous activities to try again this week.
