

Saltwood and Bodsham Church of England Primary Schools

Home Learning Schedule

w/b 30th March 2020

This week we are following the usual pattern:

Each Morning: 3 My Mini Maths; A Daily Maths sheet; A times table lesson, and some Literacy, (this week it will be grammar).

Each Afternoon: Some quiet reading, and some spelling work.

	Morning	Afternoon
Monday	<p>My Mini Maths, Week 3, 2 days' worth, (Thursday, Friday). https://myminimaths.co.uk/year-4-mini-maths/ Be sure to include the Youtube clips and IQ tasks where available.</p> <p>Daily Maths Sheet - At the end of this pack are the five daily sheets - one for each day of the week.</p> <p>Times Table Lesson - Lesson 6 of the times table learning programme on my mini maths which you can find here: https://myminimaths.co.uk/tt38-times-tables-skill-builder/</p> <p>Literacy - Use the Twinkl log-in code the school issued so that you can access this powerpoint: https://www.twinkl.co.uk/resource/t2-e-3951-year-4-determiners-warm-up-powerpoint Work through this powerpoint so that you feel comfortable identifying "Determiners". Then, you will find 6 Grammar tests on this Twinkl link: https://www.twinkl.co.uk/resource/t2-e-1588-year-4-english-grammar-and-punctuation-practice-test-pack</p> <p>Do one of these a day. Parents - the answers are also there (at the end) so you might want to supervise!</p>	<p>Afternoon work: As with our normal school days, please read quietly for 20-30 mins, and make an entry in your reading record.</p> <p>The last task of each day up until the Easter holidays will be to focus on the year 3/4 spelling word list. The list was attached to last week's pack. Choose 10 words each day. Write a sentence for each word, underlining it when you use it. Check the definition in a dictionary if you are not sure. Think about whether you know how to spell them. Ask an adult to test you one day. Keep a record of those you get wrong so you can use this time each day to practice them. By writing them out in your book you will also be helping your handwriting!</p>

<p>Tuesday</p>	<p>My Mini Maths, Week 4, 3 days' worth, (Monday, Tuesday, Wednesday). https://myminimaths.co.uk/year-4-mini-maths/ Be sure to include the Youtube clips and IQ tasks where available.</p> <p>Daily Maths Sheet - At the end of this pack are the five daily sheets - one for each day of the week.</p> <p>Times Table Lesson - Lesson 7 of the times table learning programme on my mini maths which you can find here: https://myminimaths.co.uk/tt38-times-tables-skill-builder/</p> <p>Literacy - Do the next grammar test from yesterday's download pack: https://www.twinkl.co.uk/resource/t2-e-1588-year-4-english-grammar-and-punctuation-practice-test-pack</p> <p>Parents - the answers are also there (at the end) so you might want to supervise!</p>	<p>Afternoon work: As with our normal school days, please read quietly for 20-30 mins, and make an entry in your reading record.</p> <p>The last task of each day up until the Easter holidays will be to focus on the year 3/4 spelling word list. <p><i>Over the Easter holiday:</i></p>	<p>Maths: Please finish the remaining Times Table Lessons on the usual link: https://myminimaths.co.uk/tt38-times-tables-skill-builder/</p> <p>Literacy - Do the last 3 grammar tests from the Twinkl download pack: https://www.twinkl.co.uk/resource/t2-e-1588-year-4-english-grammar-and-punctuation-practice-test-pack</p> <p>Parents - remember the answers are also there (at the end) so you might want to supervise!</p>	
--	---	--

Daily Maths
sheets.

Monday 30th March - Daily Maths Sheet

The sheets this week are simply practice of key skills - so you don't forget what you already know! Each line is one sum.

$$12 + 13 + 22$$

$$20 + 16 + 24$$

$$32 + 14 + 27$$

$$27 + 21 + 34$$

$$36 + 33 + 24$$

$$55 + 44 + 32$$

$$21 + 42 + 34$$

$$32 + 47 + 46$$

$$34 + 25 + 42$$

$$46 + 51 + 28$$

$$51 + 62 + 45$$

$$67 + 72 + 39$$

$$48 + 46 + 53$$

$$74 + 63 + 86$$

Tuesday 31st March - Daily Maths Sheet

Choose three cards. Add the numbers.

Do this six times. You must do a different addition each time!

47

66

58

45

74

Challenge

I added three consecutive numbers with a total of 222. What were the numbers?

Wednesday 1st April - Daily Maths Sheet

Each line is one sum.

$$\begin{array}{r} 62 + 75 + 84 + 53 \\ 83 + 81 + 94 + 37 \\ 84 + 72 + 85 + 96 \end{array} \qquad \begin{array}{r} 76 + 71 + 27 + 82 \\ 95 + 12 + 60 + 76 \\ 98 + 89 + 78 + 97 \end{array}$$

A palindrome reads the same backwards as forwards, e.g. the words: mum, level or maddam. Palindromic numbers do the same, e.g. 4114 or 55 or 727.

Add four 2-digit numbers to give each of these palindromic answers:

202

191

333

252
